Organization

S.A.Z UNIVERSAL LINKS, a human resource organization comprises of a team of highly qualified personnel. The team makes professionalism its forte. This professionalism constitutes all its policies on the basis of moral codes. And it keeps its eyes on the changes that take place time to time in the field. And it also has a firm belief in the service of mankind. We are the coordinators between the Employer and the Employee. So, we undertake the responsibility on both the ends. We have been operating in the field for almost two decades. The span of time, first of all, speaks for our integrity and service In the domain of manpower placement bureaus. Secondly, our long relationship with old clients in trustworthy terms even today, pronounces our professionalism. Thirdly, increasing number of our valued multinational clients and expansion in the list of job categories

Vision

No business or transaction is possible without an ever-lasting broader vision. With new vistas being opened to construct and reconstruct the newly emerged nations it essential to take care of the changes and challenges likely to occur. Day to day progress in trade, business and industry and cultural-oriented pursuits we are compelled to have a clear vision to keep pace with the fast moving wheel of time. We have organized our services in the light of this vision. We know, no venture is successful without future consciousness. We have based our vision on the grass-root realities of the present and also the requirements of the future. Human resources and time management go side by side. We realize that our vision should be apt to all such humans conditions, irrespective of regional or geographical differences. Integrity is an inevitable part of our vision.

Mission

Satisfaction of our clients through commitment, honesty and result oriented efforts. Focus on economic benefits pertaining to the interest of both domestic and foreign entrepreneurs.

- ▶ To assure the highest level of performance.
- ▶ To increase standards of business since it ultimately paves the way for the standard of living as such.
- ▶ To utilize foreign exchange for the benefit of manpower, business schemes as well as national economic stability and progress.

Company Profile

We (S.A.Z UNIVERSAL LINKS LTD) are a professional HR, recruiting and manpower placement company that provides all types of manpower recruitment services and having a strong history of top line manpower solutions i.e professional, executive level, skilled, semi-skilled and unskilled workforce from Pakistan and from other countries (through our counterpart offices & associates) to large number of reputable employers for their projects in Middle East, Far East, Europe and America. Our steadfast commitment to serve our clients with utmost efficiency and responsibility has become our hallmark. We are a registered manpower placement company under Pakistan Overseas Employment Promoters Association (POEPA) with a well experienced team to select perfect candidates for our esteemed clients. Our mission is to provide excellent services and solutions according to exact requirement of our valuable clients as we believe that this is a key for a long term relationship with them.

Projects

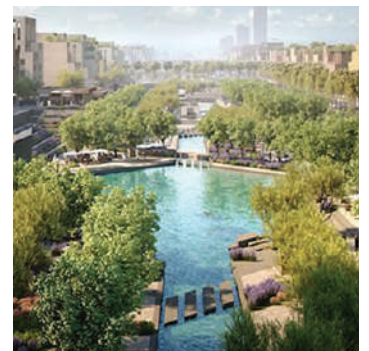

- **King Salman Park**

Crafted with dedication and unmatched skill. This milestone project is taking place in the heart of Riyadh. We take pride in contributing to this milestone project by providing manpower as per demand.

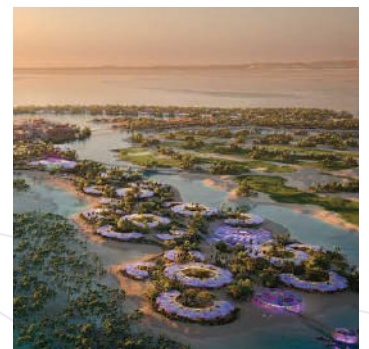

- **Sports Boulevard**

With our company's expertise, we helped shape the vibrant Sports Boulevard in Riyadh by providing skilled workforce to well reputed contractors of this mega project, an example of our dedication to support our partners.

- **Red Sea Project**

Drawing on our company's expertise and dedication, we contributed labor to the creation of the iconic Red Sea Project, a marvel of sustainable luxury and environmental harmony.

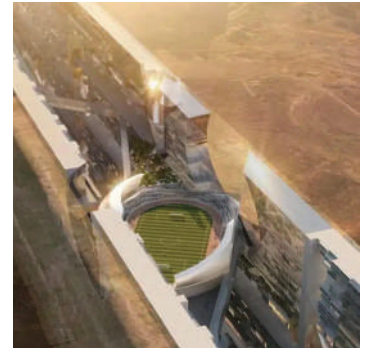

- **Spark Project**

The Spark Project in KSA is a pioneering endeavor driving innovation in Saudi Arabia's construction sector. With our company's dedicated labour force, we've been integral to its realization, contributing to its transformative impact on the Kingdom's infrastructure landscape.

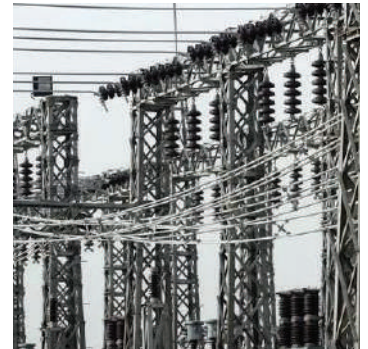

- **The Line – NEOM**

NEOM, the ambitious megacity project in KSA, promises to redefine the future of urban living with its innovation-driven approach. Our company's skilled operators and drivers has been instrumental in fueling the excavation and ground works of the project.

- **SCECO Substations**

SCECO Substations in KSA form the backbone of the nation's power infrastructure, ensuring reliable electricity supply across regions. Our company has played a vital role in the construction of SCECO Substations, contributing to the resilience and efficiency of KSA electrical grid.

- **Riyadh Metro Project**

Riyadh Metro is a rapid transit system serving the city of Riyadh. Consisting of 6 metro lines and spanning the length of total 176 kilometers. Our company contributed by deploying a steady flow of engineers and electromechanical and civil

Dear Prospective Partners:

SAZ Universal links has been successfully deploying manpower to the Middle East since 2009. For over 16 years, we have accomplished big numbers of deployments for many companies across numerous trades. Our decades of experience enables us to serve the needs of our clients in an efficient and cost- effective manner. We strive to build on the experience of our past and look forward to building successful partnerships for years to come.

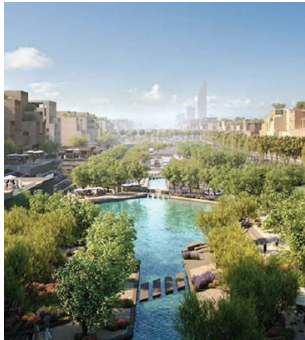

We hope to contribute our professional expertise and decades of experience in manpower recruitment and deployment for your projects and become a long- term partner of your organization in growth, progress and success.

Sincerely,

The Management at SAZ Universal Links
